HOTEL ANGELENO UPGRADES POOLSIDE FITNESS CENTER

New HD Flat Screen TV's plus state of the art cardio equipment rejuvenate the hotels workout center.

LOS ANGELES, Calif. – A popular hotel amenity, the poolside fitness center at **Hotel Angeleno** has recently received a few favorable **upgrades** this summer. Guests who want to remain active during their stay will now be able to utilize new **state of the art cardio equipment** and new **37” HD flat panel televisions**.

The fitness center offers guests the opportunity to stay fit while away from home. Overlooking the hotel’s outdoor pool, the fitness center is a **complimentary amenity** for all valued hotel guests. The brand new cardio equipment allows guests to listen to their favorite TV shows by plugging their earphones into the elliptical or treadmill and offers **the latest in fitness technology**. Fresh towels, fruit, and water also come complimentary and make getting a good workout in that much more convenient.

“Hotel Angeleno is committed to creating an unforgettable stay for each and every guest ,” said Rick Gluth, Hotel General Manager. “We pride ourselves on offering the types of amenities and services that set ourselves apart and is a big reason our guests come back again and again. The changes to our fitness center is one of the ways we show our guests we are dedicated to their well being and recognize their needs when away from home. “

Hotel Angeleno is located at the base of the prestigious Santa Monica Mountains, bordering Brentwood and Bel Air. The property is the closest hotel to the world-famous **Getty Center Museum** and is easily **connects** guests to Century City, Beverly Hills, UCLA, Santa Monica and a plethora of southern California attractions. Hotel Angeleno is also a recipient of the Trip Advisor Certificate of Excellence identifying the hotel in the top 10% of businesses worldwide.
